

India's Leading Solar BOS Supplier

Solar Energy is not about the cost, It's about the Survival.

About Us

Sunseed Power India Pvt. Ltd. is committed to revolutionizing the way we harness and utilize energy. We specialize in providing cutting-edge solar solutions that empower individuals, businesses, and communities to embrace renewable energy.

Together, let's create a cleaner, greener, and more sustainable world for future generations.

Our Moto

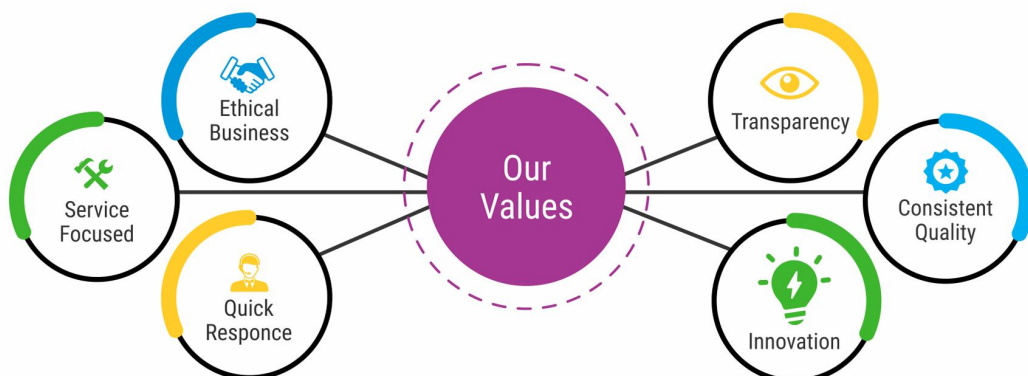

Empowering a Sustainable Future with Limitless Solar Energy.

Our Vision

We are committed to pioneering innovative solutions for Promoting Green Energy Development.

Our Mission

To be the leading integrated Solar Energy Service group for Consistent Quality Products and Excellent Customer Focused Service.

We are manufacturer of

ACDB (AC Distribution Box)
DCDB (DC Distribution Box)
Copper Bounded Earthing Rod

Lightning Arrester
Chemical Bag
Control Panel Box & PC Enclosure

We are the Authorised Distributor, Dealer & Supplier of

Solar Inverters
Solar Panel - Pixon, Sunify
Phoenix Contact & INFI SPD
HPL Net & Gen Meter
Polycab DC & AC Cable

MC-4 & Branch Connector
Aluminium Structure Material
Solar BOS Supplier
INFI MCB
